Ok Rick. The WBIA Board Meeting has been re-scheduled for June 23 in order to accommodate member schedules. So I'll have the final \$13 letter to you on June 24. Unless you need the copies before that, I'll just bring everything at the same time. Are you working on Friday June 24?

Don,

Produce and deliver 80 complete mail out packages (everything listed on the left side of the list I emailed to you earlier) to our office and use the attached ballot instructions. Also, please deliver the Board's signed letter regarding removing the parcels (and payment of the cost) from the County's tax rolls if necessary.

Will I need to provide 1 copy of the MDP / ER per individual property owner?
(Or, 1 for each parcel?)

Please send a copy of the Ballot Instructions that you want copied.

Thank you.
